E'SPA ADVANCED AYURVEDIC HOTSTONE MASSAGE & BODY WRAPS

Following a consultation to establish your Ayurvedic mind and body type, known as Dosha; your ritual will commence incorporating a massage and treatment wrap. Each has been uniquely designed for your specific needs.

Each ritual begins with foot cleansing and marma point foot massage to clear blockages and raise energy. Deeply nourishing, relaxing or invigorating Salt and Oil Body Exfoliation prepares the skin before individually blended and warmed oils are poured onto the body. Warmed or cooled volcanic stones are used for the Dosha specific body massage.

The body is then enveloped in an application of deeply penetrating warm marine algae, marine mud or traditional oshadi clay and cocooned in warm linens allowing the herbs and oils to penetrate deeply, enhancing their effectiveness.

During envelopment the ritual continues with a luxurious Indian Head Massage that encourages the deep absorption of therapeutic aromatic oils. Facial marma points are stimulated to help renew and revitalise the skin.

Vata Comforter
